

Old Red Barn Salve for Hardworking Hands

Article No. 02333 (48 g/1.7 oz.)

Article No. 02334 (11 g/.4 oz. travel size)

Intensive moisturizer and barrier balm for dry, cracked or chapped skin and hardworking hands.

The gardener's and farmer's best friend! Carefully proportioned and formulated, this unique blend of natural ingredients soothes the hands after a hard day of work or play. Lavender and chamomile oils, unparalleled for their calming and purifying effects, join vitamin E and eucalyptus in a base of canola and sweet almond oils and beeswax.

- **100% All-natural:** No petrochemicals; only pure natural plant oils with proven therapeutic benefits.

Essential Ingredients

- **Lavender Oil:** Research shows significant anti-septic and antibacterial action, despite low toxicity; a purifying essence.
- **Chamomile Oil:** A healing essence that soothes irritations. Traditionally used to fight sore, itchy skin and eczema.
- **Eucalyptus Oil:** A warming, purifying essence with antiseptic properties.
- **Vitamin E:** Soothes the skin; acts as an antioxidant for both skin and product, eliminating the need for synthetic preservatives.
- **Beeswax:** Our food-grade Australian beeswax acts as a glove to help prevent chapping, cracking, and blisters; helps prevent reopening of any healing tissue. Used at a high level to help keep product from melting in heat.
