(120 mL/4 fl. oz. each)

Decorating is done for the eye; why not complete the ambience by appealing to the sense of smell? From energizing citrus to warming spice to exhilarating mint and pine scents, these delightful room sprays lend a welcoming atmosphere to any room of your home.

- **Non-aerosol pump spray:** Won't deplete the ozone layer; gives more control over amount and direction of spray than with an aerosol.
- **Concentrated:** A single pump helps rid house of odors; approximately 600 sprays per container.

Tips

- Use a different fragrance in each room (example: Cinnamon in the kitchen; Peppermint in the bathroom) to give each room its own "character."
