How the Watkins Advantage Program Works:

- Print your name and Associate ID number, and either your Quick Pay* number or credit card number on the lines provided on the next page.
- Select your Watkins Advantage monthly order of at least 100 points from the products listed on the reverse side.
(Maximum order is 300 points.)
- After completing both sides of this form, fax it to 507-457-5958.
- Watkins will automatically ship your order after the 15th of every month, free of shipping charges. (Watkins Advantage orders may not be combined with other orders.)
- Watkins Advantage orders will receive a special VIP retail discount of 30% (an additional 5% more than the standard Associate discount of 25%).
- Call 1-800-243-9423 or fax to 507-457-5958 no later than the 10th of the current month's shipment to change or cancel your auto ship order for the current month.

Bonus value of Watkins Advantage orders will be reduced by 10% of the retail value to subsidize the additional 5% discount and free shipping and handling. You must use your International Compensation plan ID number to receive full benefits.

*Quick Pay automatically deducts payments from your checking account. To set up a Quick Pay account, contact the Support Hotline at 507-457-3143.
